## TECHNICAL DATA SHEET Blixem Laundry Powder

### PRODUCT DESCRIPTION

Blixem Laundry Powder is a highly effective and economic general purpose washing powder used mainly for cleaning dirty laundry. The product is manufactured with a high-quality surfactant that is highly effective on outdoor stains like mud, clay or grass. This product does not result in soap scum and insoluble salts from remaining on your clothes regardless of the water temperature. It works on the surface of the clothes and breaks up the oil and grease into small parts making it easier to clean them. Blixem Laundry Powder is stable and retains its cleaning power much longer.

### BENEFITS

- High quality and longer shelf life.
- Suitable for hand wash.
- Not harmful to skin.
- Protects fabrics.
- Protect both environment and health.
- Suitable for washing at cold, warm and hot temperature water.
