TECHNICAL DATA SHEET

Blixem Degreaser

PRODUCT DESCRIPTION

Blixem Degreaser is composed of powerful surfactants builders and anti-redeposit agents making it very easy to remove the grease, grime and oil deposit in most industrial and automotive applications, it is water based and thus have no flash point and is suitable in poorly ventilated places and areas posing a fire threat. It is highly alkaline and because dirt is acid, will easily remove with less scrubbing. Avoid exposure to direct sunlight when stored and avoid outside storage.

OUTSTANDING PROPERTIES

- Cleans without hard scrubbing.
- Will not attack seals and rubbers.
- Economical
- Biodegradable
- No flash point thus safe to use.
- Environmentally friendly.

DIRECTIONS FOR USE

- Spray on the soiled surface and let soak for a while.
- Brush off or apply a jet spray.
- Heavily soiled components should be soaked for a while to ensure complete dirt removal.
- Using a brush and applying water as recommended on the label, dirty greasy/oily floors and machinery are cleaned with ease.
- With proper storage Blixem Degreaser can last up to 3
- DILUTION GUIDE
