

LIGHTWEIGHT FORM, HEAVYWEIGHT FUNCTION

The perfect bang-for-your-buck gaming mouse featuring On-the-Fly adjustable DPI with 5 levels and two side buttons in an ergonomic design for more keybinding options without straining your fingers. Built like a tank with durable construction and a new coating that offers rugged grip and comfort, the CM110 gets added style points with 3-zone RGB illumination and surrounded light strip for a cool lightshow to highlight your “plays of the game.”

FEATURES

- **Gaming Grade Optical Sensor** – Adjust your DPI On-the-Fly with five programmed levels (400, 800, 1600, 3200, 6000)
- **Ergonomic Shape** - Sleek, ambidextrous shape optimized for right-handers with two side buttons for maximum comfort and ultimate efficiency
- **Premium Coating** - A new rugged grip provides added comfort for long battles and provides reinforcement for improved durability and longevity.
- **Three Zone RGB Lighting** - Add a little flair to your game with full RGB illumination in wheel, logo, and surrounded light strip of entire mouse.
