

PRODUCT CODE: REBFB-02

PRODUCT DESCRIPTION: Platinum footbed for ultra-generous comfort

MATERIALS

Extra thick moulded PU, 2mm memory foam pillow top, Poron® heel insert, Velvet mesh upper.

FEATURES

- Anti-bacterial
- Closed cell construction
- Contoured heel cushion
- Shock absorbing
- Arch support
- Moisture wicking
- Fast drying
- Extra comfort
- Poron® insert is used worldwide for general orthopaedic problems

BENEFITS

- Reduction in fatigue
- Reduction of aches & pains

NOTES

If you remove your footbed from the shoe once a week, and allow the shoe to air properly, this helps to control fungal infection and associated complaints.
