## **IMPORTANT SAFEGUARDS**

When using any electrical appliance, basic safety precautions should always be followed including the following:

1. Please read the instructions carefully before using any appliance.
2. Always ensure that the voltage on the rating label corresponds to the mains voltage in your home.
3. Incorrect operation and improper use can damage the appliance and cause injury to the user.
4. The appliance is intended for household use only. Commercial use invalidates the warranty, and the supplier can not be held responsible for injury or damage caused when using the appliance for any other purpose than that intended.
5. Avoid any contact with moving parts.
6. This appliance is not intended for use by persons (including children) with reduced physical, sensory, or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.
7. Children should be supervised to ensure that they do not play with the appliance.
8. Check the power cord and plug regularly for any damage. If the cord or the plug is damaged, it must be replaced by the manufacturer or a qualified person in order to avoid an electrical hazard.
9. Do not use the appliance if it has been dropped or damaged in any way. In case of damage, take the unit in for examination and/or repair by an authorised service agent.
10. To reduce the risk of electric shock, do not immerse or expose the motor assembly, plug or the power cord to water or any other liquid.
11. Never immerse the unit in water or any other liquid for cleaning purposes.

12. Remove the plug from the socket by gripping the plug. Do not pull on the cord to disconnect the appliance from the mains. Always unplug the unit when not in use, before cleaning, or when adding or removing parts.
13. The use of accessory attachments that are not recommended or supplied by the manufacturer may result in injuries, fire, or electric shock.
14. Don't use the grinder for longer than 2 minutes, leave to cool down before reusing.
15. A short cord is provided to reduce the hazards resulting from becoming entangled in or tripping over a longer cord.
16. Do not let the cord hang over the edge of a table or counter. Ensure that the cord is not in a position where it can be pulled on inadvertently.
17. Do not allow the cord to touch hot surfaces and do not place on or near a hot gas or electric burner or in a heated oven.
18. Do not use the appliance on a gas or electric cooking top or over or near an open flame.
19. Use of an extension cord with this appliance is not recommended. However, if it is necessary to use an extension cord, ensure that the cord is suited to the power consumption of the appliance to avoid overheating of the extension cord, appliance or plug point. Do not place the extension cord in a position where it can be pulled on by children or animals or tripped over.
20. This appliance is not suitable for outdoor use. Do not use this appliance for anything other than its intended use.
21. Do not carry the appliance by the power cord.
22. Do not leave this appliance unattended during use. Always unplug the unit when not in use or before cleaning.
23. Always operate the appliance on a smooth, even, stable surface. Do not place the unit on a hot surface.
24. Ensure that the switch is in the "Off" position after each use.
25. The manufacturer does not accept responsibility for any damage or injury caused by improper or incorrect use, or for repairs carried out by unauthorised personnel.
26. In case of technical problems, switch off the machine and do not attempt to repair it yourself. Return the appliance to an authorised service facility for examination, adjustment, or repair. Always insist on the use of original spare parts. Failure to comply with the above-mentioned precautions and instructions, could affect the safe operation of this machine.

## OPERATING INSTRUCTIONS

### Using the Coffee Grinder

NOTE: Before using the coffee grinder for the first time, thoroughly clean the Lid, the Motor Housing, and the Container (Reference the "Care and Maintenance" section): then thoroughly dry them.

Remove any foreign objects or debris from the Container before each use.

1. Pour the coffee beans into the Container.

NOTE: The coffee grinder has a capacity of 100g. \*Do not fill the coffee grinder beyond the brim of the Container.

2. Securely attach the Lid onto the Motor Housing.

NOTE: The Lid must be securely in place for the Pulse Button to function.

3. Plug the product into a standard 220-240V AC electrical outlet.
4. Press and hold down the Pulse Button to begin grinding.

CAUTION: Do not hold down the Pulse Button for more than one (1) minute to avoid overheating the product.

\*The grinding time should be about fifteen (15) seconds; however, the grinding time may vary depending on the quantity of coffee beans, personal coffee tastes, etc.

5. Release the Pulse Button to stop grinding.

CAUTION: Wait until the Blades have completely stopped before removing the Lid or any coffee grounds.

6. Pour the coffee grounds into the coffee filter of your coffeemaker.
7. Unplug the product from the electrical outlet when it is not in use or left unattended.

## **CLEANING AND MAINTENANCE**

CAUTION: Ensure the product is unplugged from the electrical outlet before cleaning it.

- Always clean the product immediately after each use.
- Wash the Lid in warm, soapy water; then rinse and dry thoroughly.
- Wipe clean the inside of the Container and Motor Housing with a soft, damp cloth; then thoroughly dry them. Do not immerse the Motor Housing into water or other liquids.
- Do not use abrasive cleaners or scouring pads to clean the product.
- Do not oil or sharpen the grinding blades.
- Store the product in a cool, dry place.

## **STORING THE APPLIANCE**

- Unplug the unit from the wall outlet and clean all the parts as instructed above. Ensure that all parts are dry before storing.
- Store the appliance in its box or in a clean, dry place.
- Never store the appliance while it is still wet or dirty.
- Never wrap the power cord around the appliance.

## **SERVICING THE APPLIANCE**

There are no user serviceable parts in this appliance. If the unit is not operating correctly, please check the following:

- You have followed the instructions correctly.
- That the unit has been wired correctly and that the wall socket is switched on.
- That the mains power supply is ON.
- That the plug is firmly in the mains socket.

If the appliance still does not work after checking the above:

- Consult the retailer for possible repair or replacement. If the retailer fails to resolve the problem and you need to return the appliance, make sure that:

- The unit is packed carefully back into its original packaging.
- Proof of purchase is attached.
- A reason is provided for why it is being returned.

If the supply cord is damaged, it must be replaced by the manufacturer or an authorised service agent, in order to avoid any hazard. If service becomes necessary within the warranty period, the appliance should be returned to an approved Home of Living Brands (Pty) Limited service centre. Servicing outside the warranty period is still available, but will, however, be chargeable.

## CHANGING THE PLUG

Should the need arise to change the fitted plug, follow the instructions below.

**This unit is designed to operate on the stated current only. Connecting to other power sources may damage the appliance. Connect a three-pin plug as follows:**

The wires in this mains lead are coloured in accordance with the following code:

Green/Yellow = Earth  
Blue = Neutral  
Brown = Live

**PLEASE AFFIX YOUR PROOF OF PURCHASE/RECEIPT HERE  
IN THE EVENT OF A CLAIM UNDER WARRANTY THIS RECEIPT MUST BE PRODUCED.**

**W A R R A N T Y AND EXTENDED WARRANTY**

1. Home of Living Brands (Pty) Limited ("Home of Living Brands ") warrants to the original purchaser of this product ("the customer") that this product will be free of defects in quality and workmanship which under normal personal, family or household use and purpose may manifest within a period of 1 (one) year from the date of purchase ("warranty period").
2. Home of Living Brands shall extend the warranty period for a further period of 1 (one) year ("extended warranty period"), on condition that the purchaser registers the product on the website, within 12 months from the date of purchase of the product. The website address for registration is as follows: <http://russellhobbs.co.za/info-pages/warranty-info.aspx>. The extended warranty period only applies to products purchased on or after 1 October 2017.
3. Where the customer has purchased a product and it breaks, is defective or does not work properly for the intended purpose, the customer must notify the supplier from whom the customer bought the product ("the supplier") thereof within the warranty period or if applicable, the extended warranty period. Any claim in terms of this warranty must be supported by a proof of purchase. If proof of purchase is not available, then repair, and/or service charges may be payable by the customer to the supplier.
4. The faulty product must be taken to the supplier's service centre to exercise the warranty.
5. The supplier will refund, repair or exchange the product in terms of this warranty subject to legislative requirements. This warranty shall be valid only where the customer has not broken the product themselves, or used the product for something that it is not supposed to be used for. The warranty does not include and will not be construed to cover products damaged as a result of disaster, misuse, tamper, abuse or any unauthorised modification or repair of the product.
6. This warranty will extend only to the product provided at the date of the purchase and not to any expendables attached or installed by the customer.
7. If the customer requests that the supplier repairs the product and the product breaks or fails to work properly within 3 (three) months of the repair and not as a result of misuse, tampering or modification by or on behalf of the customer, then the supplier may replace the product or pay a refund to the customer, subject to the supplier's discretion.
8. The customer may be responsible for certain costs where products returned are not in the original packaging, or if the packaging is damaged. This will be deducted from any refund paid to the customer.
