

DIET WHEY PROTEIN

WEIGHT CONTROL MATRIX WITH ANTI-BLOATING DIGESTIVE ENZYMES

SSA Diet Whey has all the essential benefits of a fully dosed whey protein blend as well as making sure that the complete amino profile is left uncompromised in its design and mixture.

Best used as a meal replacement, SSA Diet Whey is designed to help you control your weight and appetite with the addition of Green Tea Extract. It will also keep you satiated while also making sure that you stay within a low caloric range which will ensure that you're able to stay lean energetic throughout the day.

Furthermore, this blend has been infused with an anti-bloating component of digestive enzymes known as Fibersol-2 to ensure that you don't feel sluggish or experience the normal lactic bloating that you would experience with other protein products and blends.

This epic part of the SSA pink range will ensure you stay on track with your road to lean and toned.
