

# LIPOSIMAL VITAMIN C

SUPERIOR IMMUNE SUPPORT

Even though many people know the importance of Vitamin C and taking it daily, SSA Supplements understands that bringing you superior versions of standard products is a must in this day and age. Introducing SSA Supplements Liposomal Vitamin C – This upgraded version of your regular vitamin C is one that you will find works much more effectively and brings you additional benefits as well. Along with a now soluble version of Vitamin C, Liposomal has the addition of Calcium Ascorbate and Ascorbate Acid to ensure that you have a higher bioavailability of the Vitamin C that can be absorbed by the body. Along with the usual benefits of Vitamin C, you can expect to see the following:

- Alleviation and prevention of scurvy and its symptoms.
- Improvements in muscular fatigue.
- Relief from joint pains.
- Increases in the body's rate of cell repair.
- Uptake in antioxidant properties and its related benefits.
- Superior Immune system support.

Liposomal Vitamin C is the next step in essential vitamin support and SSA brings you a cutting-edge version of your vital everyday supplement.
