

SUPER VIT

POWERFUL MULTIVITAMIN

SSA Super Vit is an absolutely vital piece of the puzzle when it comes to your overall health and well-being. SSA Super Vit is a sister product to SSA Testoblast and needs to be taken in the morning to complement the evening ingestion of the minerals from SSA Testoblast.

The main benefits of taking a multivitamin include:

- **Increasing energy levels and largely reduces levels of fatigue.**
- **Improvement of mood and neural function involved with mood control.**
- **Reduction of stress and alleviation of anxiety.**
- **Maintenance of muscle strength by keeping free radicals in check.**

Adding SSA Super Vit to your stack will prove to be extremely beneficial to your daily functionality.
