

1 000mg VIT-C

IMMUNE SYSTEM SUPPORT

Vitamin C is easily one of the most important vitamins on any health or supplement shelf. Remember that vitamin C is an essential vitamin that your body cannot naturally produce. SSA Supplements brings you one of the most important vitamins to an already impressive rank of vitamins and minerals.

Vitamin C is well known to do the following:

- Reduces your risk of chronic diseases.
- Regulates and balances your blood pressure.
- Lowers your chances of contracting heart diseases.
- Plays a key role in lessening blood uric acid levels.
- Helps prevent gout attacks.
- Assists the body in converting iron.
- Massively boosts the body's immune system.
- Aids in the prevention of catching the flu.
- Protects your memory and thinking function as you age.

Vitamin C is an extraordinarily versatile and integral supplement that should be in every household at any given time. SSA Supplements will make sure that you are covered with this.

Disclaimer: Seek advice from a health care professional before use if you have any pre-existing medical condition. Do not use if you are pregnant or nursing, or if you are being treated for heart disease or high blood pressure. Should not be used in conjunction with any prescription medication, including MAO inhibitors, stimulants or anti-depressants. Discontinue use and consult your doctor if any adverse reactions occur. KEEP OUT OF REACH OF CHILDREN.
