

MTC Warranty Extension

Monday, 14 September 2020 9:58 PM

MTC Wireless Casting Device Extension Terms and Conditions [MTC-4500 | MTC-4500BH]

Available Warranty Extensions

1 Year Extension

A 1 year warranty extension may be purchased for any of the Parrot Products Touch Table devices at an additional charge. The charge is calculated at 15% of the product's list price (ex VAT).

Conditions & Terms

- The extension card must be purchased at time of purchasing the product
- The product serial number must be documented on the extension card at time of purchase
- The extension card as well the product must be returned together as well as have matching serial numbers for the extension card to be valid
- The extension card only extends the warranty period on the product by an additional 1 year (not the accessories)
- The extension card does not alter any other details on the original warranty document associated with the product and does not affect its validity
- No discounts are valid on this product
