## TECHNICAL DATA SHEET

### Blixen Food Safe

---

#### PRODUCT DESCRIPTION

Blixen Food Grade Degreaser is a specially formulated biodegradable degreaser that is safe for food processing plants and environmentally sensitive areas. It is an ecofriendly degreaser that can remove oils, grease, and fat residues. It cuts time and costs from your most difficult cleaning applications and is safe for ferrous and nonferrous metals. It is readily biodegradable, nonflammable, nonabrasive, non-corrosive and nontoxic making it safe for use in many applications.

#### OUTSTANDING PROPERTIES

- Cleans without hard scrubbing.
- Economical.
- Biodegradable.
- No flash point thus safe to use.
- Environmentally friendly.

#### DIRECTIONS FOR USE

- Spray on the soiled surface and let soak for a while.
- Brush off or apply a jet spray.
- Heavily soiled components should be soaked for a while to ensure complete dirt removal.
- Using a brush and applying water as stated as recommended on the label, dirty greasy/oily floors and machinery are cleaned with ease.

#### BENEFITS

- Efficient and powerful.
- Easy to use.
- Quick removal of oil and grease.
